Commissioner of Patents

PO Box 1450

Dear Sir or Madam:

Applicants hereby petition for withdrawal of the holding of abandonment for the subject application. A Notification of Abandonment was mailed on December 4, 2003 for the subject application. It appears that the response to the Notification of Missing Requirements mailed October 30, 2001 was considered untimely, and the application was therefore abandoned, as a result of the date stamp placed on the postcard, notwithstanding the Certificate of Mailing date.

Applicants submitted a response to the Notification of Missing Requirements mailed October 30, 2001 on **December 14, 2001**, which is within the two (2) month statutory period set for reply. The transmittal letter for the response had a Certificate of Mailing, signed by Selena Whitaker-Paquet, certifying that the correspondence was being deposited via First Class Mail on December 14, 2001. The Certificate of Mailing procedures set out in 37 C.F.R. §1.8 were followed.

However, the return-receipt postcard was returned with a date of **February 1, 2002** as the receipt date stamped by the PCT/PTO Office. Copies of the Response to the Notice of Missing Requirements submitted on December 14, 2001, along with a copy of the PTO stamped return receipt postcard and the Notification of Abandonment are attached.

The undersigned, Ann W. Speckman and Selena Whitaker-Paquet, verify that the correspondence and documents certified as mailed on December 14, 2001, were indeed mailed on December 14, 2001. It is the belief of the undersigned that the delivery of these documents by the U.S. Postal Service to the U.S. Patent and Trademark Office was delayed due to the circumstances surrounding the September 11, 2001 and subsequent incidents.

Applicants therefore respectfully request that the Notification of Abandonment of the subject application be withdrawn.

Respectfully Submitted,

Ann W. Speckman
